
Weekly Advisory Team Update

As we move from August into September, UNITY Lutheran Church is filled with activity, energy, and God's blessings. This holiday weekend invites us to pause, give thanks, and celebrate the gifts God is placing before us:

- We give thanks for Becky Whelpley, who began this week as Director of Music Ministry. We are blessed by the gifts and talent both Becky and Lynn Key bring to this ministry, and grateful they will have time to work together as Lynn prepares for retirement. What a blessing!
- We give thanks for Lynn Key and the many gifts she shares in both music and administration. Her faithful, behind-the-scenes work helps hold our church together, and we are grateful for her musical gifts and for all the ways she faithfully serves UNITY. What a blessing!
- We look forward to the joy and energy of Rally Weekend next week! God is at work through the collaboration of many ministries as we begin a new season together. What a blessing!
- We are grateful for Michelle Aprahamian's continued leadership in Christian Education as she supports our children, families, and faithful volunteers during this transition. As the search for a Director of Christian Education continues, Michelle's gifts and leadership will serve us well. What a blessing!
- We give thanks for our pastors and staff, whose collaboration with the Council continues to guide us with dedication, grace, and good humor through this season of change. What a blessing!

We know this season brings questions as well as hope. Please know the Advisory Team is here to serve the congregation, support our ministries, and walk together in faith. This weekend, we give thanks for God's steady presence we share together as a community at UNITY. What a blessing!

If you have questions or thoughts to share, please reach out to an Advisory Team member:
