

What Coffees Are Available?

Regular and Decaf Coffee is available in drip grind, whole bean or perk, packaged in 12 oz or 4 lb bags

Single Serve K Cups are available in regular and decaf

Flavored Coffee is available in regular or decaf; butter pecan, chocolate raspberry, hazelnut and vanilla, 10 oz bags

A special bean called Peaberry, which is not flavored, but has a milder taste is available in drip or whole bean, 12 oz bag

Variety Sampler gift packages are available year-round, perfect for gift giving

Special, unique, mildly flavored blends are available, usually during the holidays and spring; another great gift option.

To order on-line, first get set up at www.mtmerucoffee.com. and complete 2 steps: 1. Set up a personal account and log-in. 2. Register as a congregation member (About Us tab) and be sure to indicate Unity Brookfield and your campus name (critical for delivery). Step 2 is also essential to access congregation pricing! **Detailed, step by step instructions are available.....on the website? Location?**
